A First for the BGS ADT Department

Year 13's Jack Hopper made it through to final stages of the Brunel University Young Designer of the Year competition which were held at Dulwich College on the 19th of June. All entrants for this most prestigious national competition were of the highest standard and Jack's multipurpose furniture concept really impressed the judges.

Jack also caught the eye of a Channel 4 talent scout looking for recruits for a new junior Dragon's Den/The Apprentice style series. Let's hope he's *hired!*

Year 9

I'm very grateful to the MFL Department for organising two excellent trips to St Malo in France and Cologne in Germany.

The pupils (some 180!) behaved very well indeed. I was lucky enough to travel with one group in Germany and it was great fun and a brilliant learning experience.

Those who couldn't make it on this occasion also represented BGS very positively on their trip to Sussex University – my thanks to Mrs Longman for arranging this.

I would like to advise parents that a powerful drama workshop promoting drug awareness and positive choice-making will be provided by Box Clever Theatre for all Year 9s on Thursday 9th July, at school. This is totally free and should be a thought-provoking experience for our young people.

Year 10

Last week, 7 Year 10 students accompanied the Year 9s to the Rhineland in Germany. We stayed with German families and went to three main places – Cologne, Bonn and Phantasialand. Not forgetting the trip to the chocolate museum where Rob ate 26 sample chocolates! We all had great fun and thank all teachers for taking us especially Mr Costar for organising it all!

Year 11 Riverboat Trip

On Monday 22nd June, the Year 11 Riverboat trip set sail. Dresses were in an array of colours and boys were looking very smart in their suits. It was a fantastic evening with plenty of dancing, a real party atmosphere to celebrate the end of year exams. All Year 11 students were a credit to themselves with a true reflection of their successful year and time spent at Bexley Grammar School. Thank you to all staff for supporting the Year 11s on the trip and a massive thank you to all students for making this a truly memorable day.
