Dear Mrs Steele,

At the recent meeting of the BGS Finance and Resources Committee, Mr Elphick briefed the Committee on the significant contribution donated from funds raised by the Parents' Association which enabled the new library move and refurbishment project to be progressed.

Following the meeting, the Committee viewed the completed library and were able to see first hand what a tremendous benefit this project has brought to the School. The new space is a vast improvement in terms of the quality of the facility available for pupils and the calm and welcoming atmosphere that has been created is already reported to be a significant benefit in encouraging study and the use of the facilities on offer.

The purpose of this letter is therefore to convey the Governing Body's sincere appreciation for the hard work and commitment that the PA undertakes to support the School and to recognise that, in the current financial circumstances, projects like this would simply not be possible without the funds that the PA has raised and contributed.

With the sincere thanks of the Governing Body,

Yours sincerely,

Peter Clark
(Chair of the BGS Finance and Resources Committee)
