

Year 7 Induction Activity

What is history?

Welcome Year 7 - this activity has been designed to find out what you really think about history!

Task one:

Using pictures, create a collage (roughly half of an A4 document) to show events or people you have already learnt about and enjoyed learning. You could add in snippets of information or fun facts in text boxes.

Task two:

On the same A4 page, on the bottom half, use pictures to create a collage to show events/time periods or people you would like to study at Bexley Grammar School (unfortunately, we cannot guarantee you will - there are so many amazing time periods to pick from!) Again, can you add any snippets of information or fun facts?

Task three:

On another A4 page, write about an event that has happened from September 2019 - August 2020 (apart from Covid 19) that you think will make it into school history books one day.

Complete the following tasks:

- 1) Select a picture from the event/of a person that you think will 'go down in history'
- 2) Explain what happened at the event/about a person in roughly 100 words or so
- 3) Explain why you think this event/person will be worth learning about in history lessons
