July 2020

Dear Parent(s)/Guardian(s),

Year 11 have had an incredibly unusual end to their academic year, but are still receiving their GCSE results as scheduled on **Thursday 20th August from 10am**. Due to the current situation, the collection of results will not take place as usual and there will be strict controls in place to ensure the safety of students and staff on this day.

Firstly, in order to adhere to current social distancing guidelines, students will collect their results from the following location depending on their surname:

CPB and KJP - K1. Please enter through the top gate and walk through the car park, enter the K Block and into K1;

PDH and AJW - Canteen. Please enter through the usual student entrance gate and enter through the Canteen doors to collect results from the Canteen area;

REL and ACR - Gym. Please enter through the bottom gate by Danson Park and through the double doors into the Gym.

All students should collect their results as swiftly as possible and then leave the school site, minimising the length of time they are in the school.

Secondly, only students should enter the school building. We are very sorry but **no other person should accompany them into the school**. Any family or friends should wait a safe distance from the school for their son/daughter to collect their results.

Finally, **any results that are not collected** on Thursday 20th August will be posted the same day to your home address. Please contact the school if you have not received the posted results by Tuesday 25th August. **If someone other than the student is collecting the results**, please email Mrs Bono, the Examinations Officer (bono_a@bexleygs.co.uk) as soon as possible to notify her as to whom will be collecting the results. Results can **ONLY** be handed out to the student or the named person.

Included with your results will be information about reconfirming your sixth form place together with your IB subject choices. We ask that you do this by following the instructions given by 4pm on Friday 21st August, after which time we need to enrol those students who wish to join us from other schools.

Miss Fuwa, your form tutors and I are incredibly sad that we have not been able to celebrate your achievements over the past few months. However, we are delighted to be able to distribute your **hoodies and yearbooks** alongside your GCSE results. These will be available for collection in the same locations as above. Any uncollected items will be available for collection in school from September.

I wish you a good remainder of the summer as restrictions continue to ease and I hope that you see as many friends and family as safely possible. It's been a pleasure to have worked with you as a year group.

All the best.

Yours sincerely,
