21 July 2021

Dear (new) year 10 Parent/Carer,

A final sign off from a year we are pleased to put behind us as we look forward to getting back to the bustling BGS we were in the autumn of 2019, and further detail of our staggered starts in September....

Following my general previous letter, this letter specifies arrangements for year 10 students in September - **remember this is the new year group**, not the year group they are in today!

#### **Thursday 2nd September**

Students with consent will test in school according to this timetable and **then return home** immediately.

10JR at 10.15am

10TMR (9 RPP) at 10.30am

10LC at 10.45am

10SDA at 11.00am

10ML at 11.15am

10EAG at 11.30am

Students for whom consent has not been given will begin school on Monday as below.

#### **Monday 6th September**

Normal day in school starting promptly at **8.30 a.m. with registration** in tutor rooms as follows:

10JR in L3

10TMR (9 RPP) in M1

10LC in M22

10SDA in L13

10ML in M32

10EAG in H6

Students with consent will take their second test during the day.

---

I have been sharing with staff many emails of thanks from parents this week. These are the greatest measure of thanks for staff; they have much more impact than thanks from me. Thank you everyone who has taken the time to drop us a note.

May I remind you that another way you can show your appreciation for our work and support the school is to complete the [Ofsted Parent View survey](#) that is always available. I am very grateful to the 54 parents who have already done so since my letter last week. If you haven't, please consider taking a few minutes to do so. Please provide your email address on the site for validation purposes and give just a couple of minutes of your time using the link above to give, anonymously, your multiple choice responses to 14 simple questions.

I look forward to welcoming your child back to, we hope, a much more settled term to take us into 2022. I trust that you and your family find time to relax and enjoy some fine weather and perhaps some travel in the UK this summer.

Best wishes,

A handwritten signature in blue ink, appearing to read 'S Elphick', written in a cursive style.

Steve Elphick
