21 July 2021

Dear (new) year 13 Parent/Carer,

A final sign off from a year we are pleased to put behind us as we look forward to getting back to the bustling BGS we were in the autumn of 2019. And further detail of our staggered starts in September....

Following my general previous letter, this letter specifies arrangements for year 13 students in September - **remember this is the new year group**, not the year group they are in today!

#### **Thursday 2nd September**

Students with consent will test in school according to this timetable and then return home immediately.

13WEA at 1.50pm

13JJ at 2.00pm

13DJG at 2.10pm

13MCS at 2.20pm

13LRM (JMB) at 2.30pm

13CSL at 2.40pm

13ANC at 2.50pm

13SH at 3.00pm

Students for whom consent has not been given will begin school on Monday as below.

#### **Monday 6th September**

Normal day in school starting promptly at 8.30 a.m. as usual. Students with consent will take their second test during the day.

---

I have been sharing with staff many emails of thanks from parents this week. These are the greatest measure of thanks for staff; they have much greater impact than thanks from me. Thank you everyone who has taken the time to drop us a note.

May I remind you that another way you can show your appreciation for our work and support the school is to complete the [Ofsted Parent View survey](#) that is always available. I am very grateful to the 52 parents who have already done so since my letter last week. If you haven't, please consider taking a few minutes to do so. Please provide your email address on the site for validation purposes and give just a couple of minutes of your time using the link above to give, anonymously, your multiple choice responses to 14 simple questions.

I look forward to welcoming your child back to, we hope, a much more settled term to take us into 2022. I trust that you and your family find time to relax and enjoy some fine weather and perhaps some travel in the UK this summer.

Best wishes,

A handwritten signature in black ink, appearing to read 'S Elphick', written in a cursive style.

Steve Elphick
