

Bexley Grammar School

Charging Policy

Bexley Grammar School is committed to the provision of free education for all registered pupils, where such education takes place wholly or mainly during School hours.

The exceptions to this will include fees for music tuition unless this is provided to fulfil the requirements of a syllabus for a prescribed examination. There may also be times when the School will ask for voluntary contributions for such things as School journeys that take place wholly or mainly during the School day and for material, ingredients and equipment for a practical subject. Such contributions are voluntary, a pupil at the School will not be treated differently according to whether or not parents have made a contribution in response to a request, however if sufficient funding cannot be raised voluntarily it may be necessary to cancel the relevant proposed activity.

Notwithstanding the above, the School may raise charges as follows:

- Board and Lodgings on residential visits;
- Costs associated with individual tuition in the playing of a musical instrument whether in or out of School hours (unless as part of the syllabus for a prescribed public examination or as required by the National Curriculum);
- Activities which take place wholly or mainly outside School hours but which are not provided as part of the School syllabus are not required in order to fulfil statutory duties relating to the National Curriculum or to religious education:
- Re-sit fees for public examinations, for which the student is not being prepared by the school;
- Entry fees for public examinations where students fail to attend or fail to submit the required coursework;
- Match fees for sports fixtures.

There may in addition be further situations where the School needs to raise funds through charging.
