

Student Destinations 2012

The majority of Bexley Grammar School students go on to higher education and those completing the 6th form in 2012 secured places at many prestigious universities, including seventy one at Russell Group Universities. 85% of IB students and 42% of A level students gained places at either Russell Group* or 1994* Group universities – the full list, showing the range of courses chosen, is given below.

Students are given extensive guidance and support in choosing their pathways, including one to one impartial advice and guidance from the school's own Careers and Higher Education Adviser, as well as input from the highly experienced team of tutors and the 6th form leadership. Students choosing to go straight into employment included one IB student who gained a place on top accountancy firm KPMG's post KS5 entry scheme, which includes sponsorship through university whilst working for the company. Others took up positions with the Bank of England and Commerzbank. Seven students successfully applied to university following a gap year, and a number of the 2012 leavers plan to do the same next year.

Students aiming at the most competitive universities and courses (including Oxbridge and medicine, dentistry and vet science) are supported by a specialist team, and preparation activities include weekly meetings during Year 12 and 13, lectures and talks by guest speakers including academics from a number of universities, interview and admissions test preparation and extensive support throughout the application process.

Each year the majority of Year 11 students progress on to the Bexley Grammar School 6th form where they study the International Baccalaureate Diploma or a programme of four A levels. Students wishing at that stage to focus on a single discipline (such as music or sport) continue their education at college, and a small number transfer to other school 6th forms. Destinations in 2012 include the BRIT Academy (providing a specialist training in the performing arts) and Welbeck College (the army's residential 6th form leading to officer entry) among other institutions. Students are given detailed impartial advice and guidance as they prepare to make their post-16 choices to enable them to select courses which will best equip them to pursue their future goals.

* Russell: the Russell Group represents 24 leading UK universities which are committed to maintaining the very best research, an outstanding teaching and learning experience and unrivalled links with business and the public sector. (It is so named because the first informal meetings of the Group took place at the Hotel Russell in Russell Square.)

* 1994: established in 1994, the 1994 Group brings together 19 internationally renowned, research-intensive universities to promote excellence in research and teaching.

	University	*	Course
	Anglia Ruskin		Optometry
	Aston		Chemical Engineering
	Aston		International Relations and Business
IB	Bath	1994	Economics and Politics (Sandwich)
	Bath	1994	Economics
	Bath Spa		English Literature
	Bath Spa		Geography
	Bedfordshire		Education Studies

	Birmingham	Russell	Law
IB	Birmingham	Russell	Computer Science
IB	Birmingham	Russell	English and American Literature
	Birmingham	Russell	Chemical Engineering
	Birmingham	Russell	English and American Literature
	Bournemouth		Law
	Bournemouth		Business Studies
	Bournemouth		Computer Animation Arts
	Brighton		Applied Psychology and Criminology
	Brighton		Biological Sciences
	Brighton		International Event Management
	Brighton		Mathematics
	Brighton		English Language and Media
IB	Bristol	Russell	Politics and French
	Bristol	Russell	Music
	Bristol	Russell	Accounting and Finance
	Bristol, University of the West of England		Sociology
	Bristol, University of the West of England		Science Foundation
	Brunel		Computer Science (Digital Media and Games)
	Brunel		Mathematics
	Canterbury Christ Church		Sport & Exercise Science
	Canterbury Christ Church		Film, Radio & Television Studies
	Cardiff	Russell	Dentistry
