10 November 2021

Dear Parents/Carers,

*A very brief note but with some important information nonetheless - please read carefully.*

I draw your attention to the late start to school next week on **Wednesday 17th** for all students which was highlighted in the newsletter last week. This is following the Sixth Form Open Evening the night before. Students should be in school for **registration at 9.20 am** for period 2 at 9.25 am.

Our date for Covid vaccinations, for those who have given consent, has been changed from this Friday to **Monday 15th November**. This change was requested by the vaccination team.

Finally, although we still had 14 student cases of Covid on our return from the half term break, I am pleased to report that we have only 4 cases today. I do not wish to celebrate too early but it is possible that bringing back a few restrictions before we were required to has had an impact. **Please continue to ensure that your child has a reusable face covering with them each day.** This is enabling us to continue with as many extra-curricular activities as possible: our sports fixtures are thriving and we are able to go ahead with our *Mermaid* performances and our music concert (see our [newsletters](#)) as planned.

Thank you for your continued support.

Best wishes,

Steve Elphick

cc. Sixth form students

- 
- Monday 15th November - Covid vaccinations
  - Wednesday 17th November - Late start at 9.20 am
  - Face coverings required
