Bexley Grammar School

Dear Parent/Guardian,

### **Participation in sports fixtures**

Your child may wish to participate in sports fixtures whilst at Bexley Grammar School. Fixtures are run in a variety of sports and competitions across the school year. Our typical fixtures are after school and, should they be at another school, involve being transported by our coach company (D&J Coaches) with a teacher accompanying them, before being returned to BGS at the conclusion of the match or competition. If students would prefer to leave from the school we are visiting (if they live nearby or can get picked up from there by a parent), they should get a note in their planners from a parent or guardian.

Individual letters are not issued for each fixture, but students are given details of departure times and return times to school. Obtaining advance permission for these sports fixtures is important to arrange fixtures with other schools quickly and efficiently. If students are unavailable for any reason they can, of course, inform the teacher that they are not able to play.

Yours faithfully,

Mr Lines  
Head of Physical Education
