

## Schedule for testing - January 2022

### Tuesday 4th January - Years 7-11

The testing arrangements for Years 7-11 are as they were back in September for all students who gave consent for testing:

- Students should arrive as near as possible to the time assigned to their form. Please do not come onto the school site more than 5 minutes before that time.
- Students should enter the school at the 'bottom' gate (nearest to Danson Park), the gate to the car park by the tennis courts.
- They will walk around the outside of the sports hall and the music rooms to enter the gym (test site) by the entrance to PE between the hall and sports hall.
- When asked to enter the test site, they will give their name, collect a barcode and a swab and will be guided by a testing assistant to a booth to self-swab.
- When finished, they will hand their swab to the testing assistant and leave the gym, following the one-way system, out of the back door and will then leave the school immediately via the canteen deliveries gate.
- The school will only contact you if the test is positive for Covid-19.
- Those students who do not have consent for testing should return to school with their year group as detailed for Wednesday, below.

Please find the relevant form group below to determine the time for your arrival.
