March 2022

Dear Parent

Year 10 Mock Examinations

I am writing to give notice of the Year 10 Mock Examinations which will take place from Monday 25th April to Friday 29th April 2022 inclusive. In preparation for the exams I have shared various resources on Form Group Google Classrooms for pupils to refer to. In support of your child, please help them with creating their revision timetables and following the revision tips provided.

Each Year 10 student will receive the examination timetable in due course and be aware of which sessions they need to attend. A copy will also be posted on the school website. Students will only be required to attend the examinations relevant to them during this period and will be expected to leave the school site after they have finished their examinations for the day. The timetable will have three examination sessions with all students having an examination first thing, usually a second examination mid-morning and, at times, a third examination in the afternoon.

Students are expected to attend exams in full school uniform. Any amendments/details relating to a particular day's examinations will be displayed in the canteen on that day. Students should check this board as they enter the school. The morning examination will start at 8.30am and students should arrive and enter the Gym or School Hall (as per their timetable) directly and be seated between 8.10am and 8.20am. Similarly for subsequent examinations later in the day students should be seated 10 minutes before the published start times.

Registers will be taken. In cases of absence you are required to notify the **Examinations Office on 020 8298 2340 in advance of examinations**. In such cases examinations will be arranged on the students return to school.

Yours sincerely

Mr A Mackle
Director of Studies, Year 10
