September 2018

Dear Parent

Year 13 Parents' Evening

The Year 13 Parents' Evening will be held at School between **4.00 p.m. and 6.30 p.m. on Tuesday 2nd October 2018** and you are invited to attend between these times.

An appointment system will be operated for this event and your son/daughter will need to arrange appointment times with teaching staff using the form at the front of the Sixth Form student diary. I would like your son or daughter to accompany you to the evening in order to discuss his or her Autumn Term report with subject teachers. Ms Stoddard will be available to meet with early applicants for Oxbridge & Medicine, although it will not be possible to make appointments.

I also highly recommend that you take this opportunity to discuss your son's or daughter's predicted grades with subject teachers. **The predicted grade is the same as the Attainment grade on the current subject report and will be the grade submitted to UCAS as part of the university admissions process.** Whilst I encourage you to discuss this thoroughly, and also the basis upon which the prediction has been made, I must add that the final decision must be down to the appropriate members of staff: the Sixth Form Team will be supportive of their professional judgement.

The Parents' Evening online questionnaire will be sent out via ParentPay on Tuesday 2nd October and should take no longer than 2 minutes to complete. We would be grateful for your response by noon on Thursday 4th October 2018.

Entry to the Parents' Evening will be through the main gate at reception. Please sign in on arrival and out at departure. For this event, a limited number of parking spaces will be available in the car park closest to Danson Park (please return to the road to enter through the reception gate).

Please will you acknowledge your receipt of this letter and confirm your attendance by clicking on the link [here](#) by Tuesday 25th September. I would like to thank you in advance for your continued support.

C J Morris
Director of Sixth Form Studies
