Dear Parents/ Carers,

I am writing to thank you for your support this half term. The students have achieved an incredible amount in the past six weeks. From our Year 8 girls' Rounders Team winning the Bexley Championships to our Year 12 Young Enterprise Team winning the East London Best Company Award, our students never cease to amaze me in the range and depth of achievements that they are capable of. Our Year 13s have finished their journey (for now, as we look forward to their Prom in June) whilst our Year 11s persevere through their GCSEs with resilience typical of that year group. Good luck to them all in the coming months as they await their outcomes.

I had the pleasure of meeting with the Chair of the Parents' Association today and wanted to let you all know how grateful the school is for the enthusiasm, time and support that our parent / carer volunteers give. The upcoming Sports Day and Summer Fayre on the 10th June (please do make a note in your diaries) is perhaps the showcase event in the calendar but all year round our PA is supporting the school through events and fundraising initiatives. A great example of this, which we can all contribute to, is the <https://www.easyfundraising.org.uk/causes/bexleygrammar/> scheme. Once signed up, some purchases that you make online will automatically generate a donation to the BGS PA, which in turn will enable them to fund further opportunities for our children. Please do take a moment to sign up if you can.

Thank you again for your support this year. As I sign off, I look forward to watching this afternoon's KS3 Musical Showcase, with the best of our young musicians on show. I hope that you'll be able to join us for the School Production of the Addams Family in July.

Have a lovely half term break.

Yours sincerely,

H J Gilmore
