29 June 2023

Dear Parent/Carer,

**Strike action - Wednesday 5th and Friday 7th July**

As you will no doubt be aware, further industrial action is planned by members of the NEU next week. In order to balance the impact on staffing with keeping as many year groups in as possible, the following arrangements will be in place.

- |                             |                                     |                         |
|-----------------------------|-------------------------------------|-------------------------|
| • <b>Wednesday 5th July</b> | <b>Years 7, 10 and 12 in school</b> | <b>8 and 9 at home</b>  |
| • <b>Friday 7th July</b>    | <b>Years 8, 9 and 12 in school</b>  | <b>7 and 10 at home</b> |

We are contacting parents/carers of vulnerable students and those with an EHCP in Years 7 - 10 to ensure appropriate provision on these days. If you are a critical worker where having your child at home would prevent you from working on either of these days, please contact the school via [enquiries@bexleygs.co.uk](mailto:enquiries@bexleygs.co.uk), "FAO Mr Gilmore".

As before, teachers who are not striking will be teaching lessons in school and will be expected to provide remote learning through Google Classroom for those groups not in school. Striking teachers are not obliged to set any work and as I am unable to inform you which teachers are and are not striking, your child will experience, inevitably, a mixed and unpredictable provision of work on days of strike action.

I hope this information helps you to plan for the inevitable disruption this will cause. I will communicate with you further on the issue of industrial action as and when is necessary.

Best wishes,

H.J. Gilmore
