19 April 2024

Dear Parents/ Carers,

I just wanted to write and pass on my gratitude to our Year 13 cohort, who left in wonderful fashion today. Following a very enjoyable football match and BBQ on Wednesday, this morning we had a lovely assembly with lots of humour and warmth - just what I would expect from this group of special young people.

This morning I spoke of the special relationships between staff and students which make Bexley Grammar School a wonderful place to work and, I hope, to learn at. Today's assembly, and the conversations which both preceded and followed it, completely embodied that spirit.

I also reminded the students that they will always be part of the BGS family and I look forward to hearing about their many successes in the future.

For now, though, we will continue to support the students with their exams and apprenticeships, employment opportunities or UCAS offers as they embark on this special and exciting new chapter in their lives.

Thank you for your ongoing support of the school during your young person's time with us.

Yours sincerely,

H J Gilmore  
Headteacher
