As such, all posts are subject to a safer recruitment process, including the disclosure of criminal records and vetting checks, including online public searches. This post is considered to be a customer-facing position; as such it falls within scope of the Code of Practice on English language requirement for public sector workers. The school therefore has a statutory duty under Part 7 of the Immigration Act 2016 to ensure that post holders have a command of spoken English sufficient for the effective performance of the job requirements. The appropriate standards are set out in the person specification. These will be applied during the recruitment/selection and probationary stages.
