Dear Parent/Guardian

Music Instrument Lessons - Music Band Programmes

Due to the popularity of our band programmes at Bexley Grammar School, which are now in their third year, we are offering another opportunity for students to sign up to learn either clarinet, saxophone or a brass instrument once a week for 10 weeks.

We offer 2 programmes, one for Brass instruments, run by our Brass teacher Mr Crocker, and one for Clarinets and Saxophones with our peripatetic teacher Mr Cooper. These programmes are an opportunity to learn a brass instrument or clarinet from scratch and will culminate in a small informal performance at the end. We hope that participants will have enjoyed their time on the programme that they would then opt in to take music lessons in their instrument after Christmas with one of our peripatetic team.

The total cost to participate in the Band Programmes is £40 per student - this includes hire of the instrument and the weekly session delivered by a qualified instrumental tutor. Both Band Programmes will run over a lunchtime or academic monitoring once a week for 10 weeks, with students being issued with a lunch pass if required so that they can quickly get lunch if they need it. This programme is NOT suitable if your child has previously learned one of the instruments before.

We only have limited places available, and these will be given out on a first come, first served basis. If you would like to sign your child up for one of these programmes, please complete the Google form [here](#).

Finally, if you would prefer to look into our wider peripatetic lesson offer, please do sign up via the Google form [here](#).

If you have any questions about the programme or the music department in general, please do not hesitate to contact one of us.

Yours sincerely,

Mrs Anna Casling
Co-Head of Music
